Service	Issue: IS9993837 Description: Door closer issue: From the video it looks like there isn't anything on the door to close the door. I would probably have to book out a full day for this one with the distance so you would be looking at £580 + VAT. Details: Attended site and fitted a new door closer onto the main entrance door so that you don't have to manually pull the door closed. Fitted and tested and the door now closes and locks.
